New Senior High Sunday School Class for grades 7-12

at 11:00 AM in rooms G & H.

Jesus lived with the awareness that God is doing something, right here, right now, and anybody can be a part of it. Wherever He went, whatever He did, Jesus started discussions about what matters most, because for Jesus, God is always inviting us to open our eyes and join in His work. This series of short films explores our world from the perspective of Jesus. This is an invitation to search, question, and join the discussion!

You and Your Girl tickets are in and can be paid for and picked up at the church office during weekly business hours.
